PROPERTY DESCRIPTION

Over ½ acre in quiet gated Kahakai Estates. If you are looking for the quintessential tropical Hawaiian yard, you have found it. Hawaii is outdoor living and this ties it all together. The expansive covered lanai has a dining area, barbecue area, and living area all looking onto the beautiful pool with fiber optic lighting for nighttime enjoyment and tropical gardens. There is even room for a 4-hole putting green (ask for the cups!). The gardens consist of heliconia, plumeria, numerous palms, bird of paradise, lemon, hibiscus, and more...even a pineapple garden.

The yard is not the whole story. 2 sets of French doors open into the great room of the house where you are greeted by beautiful bamboo flooring and tall ceilings. Art and furniture niches create the style of the great room. The great room opens to the kitchen through a large breakfast bar.

The kitchen has ample storage in the maple cabinetry, stainless steel appliances, and beautiful granite countertops. Work space abounds and the work triangle moves easily. For convenience, a half bath is off the kitchen.

2 guest rooms, a full bath and laundry room complete this wing of the house which leads to the 2-car garage.

The master bedroom suite is separated from the other guest rooms on the other side of the house. The room is large enough for a king sized bed, dresser, desk, sofa and coffee table. There are sliding glass doors that lead out onto a private lanai for the master (or to the pool, if you are ready to take a dip). A large walk-in master closet leads to the master bath. Luxurious soaking tub, glass shower, double sinks and long open countertops dominate this master bath.

Moving to the front, the entry is inviting with its beautiful lava rock waterfall and tropical plants. There is ample parking space and even a finished storage area. Use your imagination with this space as it has a ceiling fan, electric and cable connections. Great workshop, crafts, or workout room.

The gated community has a wonderful 3-ac grass park and sidewalks for your walk /run (it's the best time to catch up with the neighbors!) Come by and see it.
