PROPERTY DESCRIPTION

This 2-story home in Kailua View Estates above the tennis courts has vaulted ceilings and 5 bedrooms. The backyard is huge with plenty of room to grow....grow gardens, play yard for children and pets...you could even grow the house (with the plans approved...you are protected with the CCR's of the neighborhood). And all with ocean and sunset views. Rock walls, manicured grounds and a beautiful hibiscus hedge are well maintained and provide a tropical feeling.

Inside you will find five sliding glass doors in the living room and dining room that provide light and airflow. There are 4 bedrooms upstairs and one downstairs. There is new carpet in the upstairs bedrooms.

The kitchen has a great "work triangle" and an ocean view from the sink. An eating/buffet counter separates the kitchen and dining room yet this area has an open, great room feeling that promotes conversation.

The house is located on a corner lot. Come by and see it!
