PROPERTY DESCRIPTION

Your Tropical Paradise Awaits! Enjoy the view of the ocean and the sunset from your private lanai overlooking Kailua Kona. This comfortable home is located on a quiet cul-de-sac in the coveted Kona Heights area, very close to shopping, services, and the beach.

The house features a spacious and open floor plan that opens onto the lanai. Lots of windows and light! Three large bedrooms and two updated baths with generous closets in the bedrooms and extra linen storage and cabinets throughout make for an easy to live in floorplan. Convenient pantry and adorable kitchen with a pass-through bar are perfect for entertaining. Easy and bright tile floors are in the dining area, kitchen, and baths. Carpeting is throughout living and bedroom areas. New washer and dryer are still under warranty.

The grounds are fully landscaped with lovely mature plantings - all equipped with automatic sprinklers. Enjoy starfruit, avocados, and papayas from your own backyard. Pick gardenias and hibiscus from your own garden to enjoy on your lanai table. Daydream at the fishpond off the back patio - perfect for entertaining.

A double carport and bonus half-kitchen and sink with tons of secure under-house storage complete this home in Paradise! Plans are available for additional build out for the lower storage area.
