PROPERTY DESCRIPTION

Your home away from home, this Volcano Golf Course home has it all. A great room with user-friendly kitchen layout and built in entertainment center. Pine ceilings gives the home a warm 'cabin' feel and the wood burning stove provides warmth on the nippy mountain mornings. 2 large ohia posts in the great room provide more 'modern rustic' flavor to the home.

The 2 bedrooms downstairs each have an attached bath, and a large upstairs loft is a bonus room with numerous uses - use YOUR imagination (sleeping loft, office, yoga and/or workout room, art studio). Storage abounds with the 2 large interior storage areas big enough for bikes and golf clubs. Conveniently located so you can take a walk to the Volcano Winery or Volcano Golf Course Club house.

Ohia posts adorn the covered front deck.

The house comes mostly furnished including kitchenware and linens. Ask for an inventory.

One owner has active Hawaii real estate license.
