PROPERTY DESCRIPTION

This long-awaited collection of secluded one-acre lots is now being offered. These graded lots are close to town, shopping and the beach, yet they are located at a cool, temperate elevation. Views of Kailua Kona Town, the ocean, the natural tropical agricultural surroundings will all enhance your Hawaiian dream home in Ka Aina Pono. Still under construction, these prime 1-acre lots, with incredible sunset views and some with white water views, have already been graded and have level house pads saving you tens of thousands of dollars in site preparation that has already been completed. Additionally the underground utilities come to the lot.

Overlooking Kailua View Estates, at the top of Nani Kailua Street, Ka Aina Pono is secluded, yet easily accessible and a short distance to shopping, beaches, grocery stores, fine dining, and downtown Kailua Village. With ocean views and tropical, carefree living in mind, the utilities are underground, the roads are private, the graded lots are a minimum of one acre each, have building height restrictions for "friendly neighbor" views, and a minimum building requirement of 1200 sq/ft interior. There are CC&R's and there will be NO homeowners association. Best of all the property is agriculturally zoned to ensure the feel of old Hawaii!
